WIREFRAME

DRAFT

The wireframe shows the layout of a website for 'NOOD' Cart Noodle Restaurant. At the top, there's a navigation bar with links for 'ABOUT US', 'MENU', 'CREATE OWN CART NOODLE', 'MY CART', and 'SIGN IN/REGISTER'. Below the navigation is a large banner featuring a close-up image of a noodle dish. Overlaid on the image are the text 'NEW STREET SNACK CART NOODLE' and a pink 'ORDER NOW' button. To the right of the main banner are three smaller promotional boxes: 'NEW STREET SNACK CART NOODLE' (with an image of a street food cart), 'NEW STORE OPENS IN DOWNTOWN' (with an image of a restaurant interior), and 'BUY ONE GET ONE FREE CODE: FREE1' (with an image of a bowl of noodles). Below the banner is a section titled 'TOP FIVE CART NOODLES' featuring five smaller images of different noodle dishes labeled 'VEGETABLE', 'STREET SNACK', 'MEAT LOVER', 'SPICY NOOD', and 'ALL PORK IN ONE'. A link 'ENTIRE LIST...' is located at the bottom right of this section.
